

2010 BOYS & GIRLS YOUTH SUMMER CLINICS

DESCRIPTION

The Epic Boys and Girls Youth (8th grade and below) Summer Clinic will be a progressive clinic aimed at giving our young players a solid fundamental base for years to come. The Clinic will teach the skills as they would be with the Epic Traveling Teams, with a major emphasis on learning the correct techniques right from the start. The skills will be demonstrated and broken down in an easy to understand format and will be followed up with drills that emphasize the techniques. Players attending the Clinic can expect a typical practice to consist of a hour and a half of skills and drills, and a half hour of competitive game like drills.
